

National Severe Weather Warning Service

Chief Forecasters Assessment

Fog has been persistent through today in places and will thicken over the next few hours to become locally dense.

Later in the night, fog will become more confined to high ground with visibility improving at low levels.

The Met Office have issued a **Yellow Warning of Fog**

Valid from **16:30 on Tue, 03rd Nov 2015** until **23:00 on Tue, 03rd Nov 2015**

Areas of fog will become dense, with visibilities less than 100 metres in places during this evening.

The public should be aware that this will lead to difficult driving conditions with minor disruption to travel.
